**THE PERFECT WEDDING VENUE**

2026

## THANK YOU FOR CHOOSING TALA

Thank you for considering Tala as a venue to host your big day. We are here to ensure that you have a very special and perfect day in our tranquil bush setting. Our wedding packages are designed to assist you so that you can enjoy a stress-free day.

Tala is a sought-after destination wedding and accommodation venue, offering exceptional service, mouth-watering food and a one-of-a-kind safari experience. Our accommodation options encompass a variety of different styled lodges that are located at various sites on our 3000ha reserve. The combined experience of our Tala team will ensure that your dream wedding will be one to treasure. Whilst Tala provides the perfect setting for traditional weddings, our flexible spaces and 'nothing is impossible' attitude combined enable us to offer an array of choices for the more unique, individual and exceptional wedding.

## VENUE HIRE

Tala has several stunning and versatile venues with magnificent views set in the African bush. Our venues can cater for between 40 - 120 guests. If you wish to keep your wedding more private, we can arrange a simple picnic for a small group of people or even an intimate wedding for two.

# ACACIA

## SEATS UP TO 120 GUESTS

The predominant feature at Acacia is the tall glass concertina doors that surround this open-plan structure which open out onto the great wooden deck that stretches out towards the watering hole. The wooden deck is an ideal and a very popular option for outdoor wedding ceremonies, especially in the late afternoon with the sun setting in the distance behind the rolling hills. It is also this time of day that animals such as Zebra, Waterbuck, Blue Wildebeest and White Rhino – to name but a few – come down to the watering hole to drink, allowing for exquisite photo opportunities.

# LEADWOOD MANOR HOUSE

## SEATS UP TO 60 GUESTS

Built by a team of artisans with locally sourced shale, Leadwood Manor House combines exceptional architecture, towering thatch and resplendent finishes against a backdrop of breathtaking natural beauty. The newly refurbished house was designed on an ethic of 'nothing straight, nothing painted' and the results are a masterpiece of earth, water, glass and hardwoods which blends into its surrounds of open vistas. Leadwood Manor House is a place of relaxation and tranquillity and more of an intimate venue available for weddings and functions. Although we cherish children, this venue is more suited to an adult only function. This venue can be hired as a package whereby all 10 rooms are booked for 2 nights (the night before the wedding and the night of the wedding).

# FOREST VENUE

## SEATS UP TO 120 GUESTS

Set in the Tala bush, our Forest Venue is perfectly situated to have a romantic ceremony or a small private picnic wedding in amongst African scenery. The venue offers a gorgeous area for canapes and welcome drinks before you and your guests make your way to the reception venue. Transfers via game vehicle are available upon request.

# FIG TREE BARN

## SEATS UP TO 250 GUESTS

The large farmstead building that is Fig Tree Barn has been restored to create a magnificent wedding venue. Hand crafted chandeliers provide soft lighting from the rafters above, creating a dramatic yet gentle effect against the rough plastered walls that are interspersed with floor-to-ceiling mirrors and windows. This spectacular venue is perfect for large weddings of up to 250 people. Perfect for pre-wedding drinks under the canopy of one of our beautiful Fig Trees that lends itself to perfect photo opportunities.
